

To Whom It May Concern:

I understand your interest in finding out candidate's views on certain issues. I do, however, find the survey to be a waste of time as I have been in the legislature for 8 sessions and have previously completed your surveys. This year's survey is almost identical to last survey of two years ago with only a couple of exceptions. Having been in the legislature, I would hope that you would have recognized my voting patterns on those issues which are in the questionnaire.

Thank you,
